

Quotation of Settlement fee (for Total plan)

1. Basic settlement fee	JPY 300,000
2. If you hire more than 100 employees (*1)	+ <u>JPY</u>
3. There're big amount of loan or many equipment (*2)	+ JPY 30,000 yen
4.If you are a consumption taxpayer	
4-1. yearly sales amount is less than 15,000,000yen and usually SIMPLE TYPE	+ JPY 10,000
4-2. Calculation of tax amount is simple (for both SIMPLE TYPE and ORDINARY TYPE)	+ JPY 20,000
4-3. Calculation of tax amount is complicated	+ JPY 30,000 ~ 50,000
5. Financial statement written in English	+ JPY 30,000
6. Any additional document or application form (*3)	+ <u>JPY</u>
7. Other additional fee or discount (*4)	<u>± JPY</u>
<u>Total Settlement fee (excluding tax)</u>	<u>JPY</u>

Note;

*1 If you hire more than 100 employees, we estimate whether any additional fee is needed or not.

*2 If there is a lot of equipment, we must make lots of papers and submit City Hall.

And if there is a lot of loan, bank would need your tax filing record as soon as possible.

*3 It depends the kind of, and the amount of the document you need.

*4 If we must check large amount of past year's accounting data, we might ask some additional fee.

And if the financial year is less than 12 months, we can offer some discount.
